## **FUNDRAISING THROUGH INDEPENDENT REPRESENTATIVES**

Thank you so much for your generous offer to support the Hyde Park School PTO!

We appreciate all offers from independent sales representatives to host a fundraiser in support of HPS PTO. Unfortunately, we cannot actively support sales with marketing through the HPSPTO website, PTO Facebook, contact information, flyers at school, etc.

We have many entrepreneurial parents who are independent representatives for great companies. We are not able to honor all requests providing the same fair opportunity to every representative, so we cannot accept any.

Thank you again for your willingness to help raise funds for the HPS PTO. We wish you continued success with your venture!

Thank you,  
HPS PTO Executive Board
